

Cuckoo Fireside Kick

Ingredients

Serves 1

50ml Cuckoo Spiced Gin
50ml Premium Ginger Beer
Orange peel
Sliver of fresh ginger

Method

Begin by chilling a short glass or beaker with ice, then replace with fresh ice. Pour 50ml of Cuckoo Spiced Gin and 50ml of premium Ginger beer. Stir with a cocktail stirrer and garnish with a twist of orange peel and a silver of fresh ginger.

The 50:50 ratio on the cocktail mix is to be sipped, ideally by the fire after dinner!

Remember quality over quantity.
